## Message from the Presidents

As the 2017-2018 Clark County Medical Society Alliance new Board of Directors gets ready for a new term, we are excited about the prospects of the coming year. We have welcomed some brand-new board members and are proud to welcome back some board members from the past. Our distinguished board of directors is comprised of:

Presidents: Alexia Crowley and Jessica Kartzinel  
Presidents Elect: Kim Fonte, Sharlin Ahmed Khan and Estella Hansen  
1st Vice President-Membership: Ginger Allen and Jillian Shelin  
2nd Vice Presidents-Luncheons: Kate Adrangi and Jeannine Mason  
Treasurer: Melissa Kelly  
Assistant Treasurer: Cindy Choi  
Recording Secretary: Aditi Sanatinia  
Corresponding Secretary: Michele Glassman  
Public Relations: Diana Valencia and Michele Volker  
Parliamentarian: Pauline Lee  
Immediate Past Presidents: Jacqueline Nguyen Lee and Karen Schroder

We have new and exciting ideas for next year. We are planning to move into the technology age and use less paper. Members will be able to renew their membership online as well as update their profiles whenever they wish. Instead of printing a directory, our members will be able to log into a CCMSA application on their smartphone and look up other members. Members will have easy access to contact information and member interests.

We plan to continue our Holiday Scholarship Project, raising funds for our local deserving nursing and medical school students. We also plan to feature our 17th Annual Fashion Show showcasing the fashions of Diane Von Furstenberg (DVF) and benefitting the Nevada Medical Center and their compelling programs to improve the state of healthcare in Southern Nevada. We are planning to move to an annual ask from our generous sponsors. A company or individual will be able to sponsor CCMSA programs for an entire year and be recognized in many ways: I.e. their logo on our member app, their logo in recognition of the Holiday Scholarship Project, social media, and highlighted recognition at our annual fashion show. Sponsors will gain exposure on an annual platform for broader reach and be able to plan their budgeting for the year.

We are excited for another year and look forward to our collaboration with the Clark County Medical Society!!
