Dear Community Supporter,

We thank you for sharing your interest in an annual sponsorship for the 2018-2019 Clark County Medical Society Alliance ("the CCMSA").

The CCMSA is a unique 501c3 philanthropic organization steadfastly dedicated to its mission of building a healthier Southern Nevada. Its valued members are 100% volunteer based and are comprised of Clark County physicians and physician spouses, who, in collaboration with our community supporters, further the organization's purpose of providing education, outreach and support for programs and endeavors that directly improve healthcare in our state.

Through an annual sponsorship, you would receive recognition and gratitude for your collaboration and philanthropy with CCMSA. First, sponsorship will include recognition at the 18th Annual Spring Fashion Show Luncheon. Our Luncheon will take place on Tuesday, March 19th, 2019 at the Four Seasons Hotel at 10:00 a.m. There are many opportunities available through sponsorship to get involved and have you share a caring and philanthropic collaboration with CCMSA and the medical community.

Also included in the annual sponsorship and new this year, we have added an annual 'Thank You' to all of our community supporters and sponsors. This will include an **annual** digital billboard campaign throughout the valley. Thanking our various sponsors and community supporters. Please make sure to drive safely on our freeways and busy intersections while looking up at your logo alongside CCMSA. Additionally, recognition with our various local medical and nursing schools. Annual sponsorship includes the Scholarship Project which provides scholarships to our deserving, local nursing and medical school students.

The CCMSA Annual Spring Fashion Show is one of the preeminent philanthropic events in Las Vegas. In the past, we have partnered with some of the best in the fashion industry including Louis Vuitton, Emilio Pucci, St. John, Tory Burch, Anne Fontaine, Diane Von Furstenberg (DVF) and many more. Our event sells out year after year to approximately 400-450 attendees. As community support is invaluable to us, this is a testament to our community's support for our mission.

Each year, the proceeds from this event benefit a **health** related charity or entity of choice within our community that fits our mission. For 2019 the funds will benefit the Autism cause; fundraising efforts will bridge our local Autism families with our local medical community and provide outreach, education, and services to those in need.

We invite you to be a part of our 2018-2019 CCMSA year. We ask for your support to benefit our local community. Please contact us with any questions.

Kind Regards,

-Clark County Medical Society Alliance Presidents
