OUR CHARITABLE BENEFICIARY

Support For Girls Who Have Been Abused, Abandoned and Exploited. Turning Survivors into Thrivers. We do this by providing emergency housing, medical, counseling, transportation, and basic needs to victims.

Las Vegas ranks in the top U.S. cities (per capita) for trafficking of minors. The median age of an exploited child is 12 years old. Social media & gaming platforms are the #1 recruitment tool. It can take 30 minutes or less for a predator to turn a child into a victim.

SHERO Shield is an education and training awareness program for the prevention and intervention of sex-trafficking. Learn more about identifying and understanding this problem that is impacting the youth in our community.
